ZICHRONOM LIVRACHAH

MAY THEIR MEMORY

BE A BLESSING

L'Dor VaDor—From Generation to Generation

“A community is too heavy to carry alone” (Deut. Rabbah 1:10).

Remembering is central to the Days of Awe. At *Yizkor* we remember those whom we continue to cherish though they have passed from this world to *Olam Haba* (“the world to come”). For Jews, honoring the memory of the past and assuring the survival of the community in the future are both *mitzvot*. We embrace the sacred dimension of every moment, including the moment during which we plan for the time which follows our own lives so that our memory may be a blessing.

The first time that the word “remember” appears in the Torah is when God places a rainbow in the sky and says, “I will remember my covenant.” The Shomrim Society asks you to *zachor*, (“to remember”), your commitment to Temple Beth Israel by joining in our covenant to preserve TBI for the next generation.

The Shomrim Society invites you to create a living memorial to your life here at Temple Beth Israel by including the Temple Beth Israel Foundation as a beneficiary in your estate plans.

Please contact the Temple Executive Director or any member of the Shomrim Society for further information.

“As my ancestors planted for me, I am planting for those who come after me” (Ta’anit 23a)
